SUBJECT : **2025 PARENT-TEACHER ASSOCIATION (PTA) FORUM**

DATE : November 4, 2025

The Parent-Teacher Association (PTA) has long played a vital role in supporting schools and promoting quality basic education. As a consistent partner of the Department of Education (DepEd), the External Partnerships Service (EPS) has undertaken various initiatives to strengthen collaboration with PTAs and address issues affecting both parents and school administrators.

For 2025, as the education sector continues to navigate evolving challenges, the focus must shift toward nurturing the well-being, resilience, and confidence of our learners. While operational and governance matters within PTAs remain important, it is equally critical to respond to pressing concerns such as learning continuity, mental health, sustained learner engagement, and family support.

The PTA Forum 2025 is envisioned as a platform that goes beyond administrative discussions to reinforce the shared responsibility of parents and teachers in promoting learner success. It will deepen understanding of resiliency, promote the use of Psychological First Aid (PFA), and develop practical strategies that uphold learning continuity and address the urgent needs of learners and schools. Through dynamic and participatory sessions, PTA members and educators will co-create responsive actions that strengthen home-school partnerships and build a more resilient and supportive learning community.

EPS in collaboration with the Operations Strand shall conduct the **2025 Parent-Teacher Association (PTA) Forum** on December 3-5, 2025 which will be held in Region VII – Lapu Lapu City (venue to be identified). Aligned with this, we would like to invite the identified personnel reflected in the attached Annex A to attend and participate in the onsite conduct of the activity, broken down as follows:
