DIVISION MEMORANDUM
No. 491, s. 2026

SCHEDULE OF SCHOOL-BASED IMMUNIZATION ADVOCACY AND PARENT ORIENTATION, AND MOBILIZATION OF PARENTS AND GUARDIANS

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
School Heads
All School Nurses and Other Concerned Personnel

1. In In support of the ongoing School-Based Immunization (SBI) Program of the Department of Health and the Dapitan City Health Office (CHO), the Schools Division Office of Dapitan City shall facilitate the conduct of **School-Based Immunization Advocacy and Parent Orientation Sessions** in public schools across the division, in accordance with the attached schedule of School-Based Immunization Advocacy and Mop-up by District on **October 19-30, 2026.**

2.The activity aims to strengthen parental awareness and participation in school-based immunization, address concerns regarding vaccine administration, and facilitate the dissemination and collection of the necessary immunization consent forms. The orientation shall cover the following target groups:

a. Grade 1 and Grade 7 pupils, for Measles-Rubella (MR) and Tetanus-Diphtheria (TD) vaccines; and
b. Grade 4 female pupils, for the Human Papillomavirus (HPV) vaccine.

2. In this regard, all concerned school heads are directed to coordinate with their respective district supervisors, school nurses, and the City Health Office or designated health personnel to ensure the effective implementation of the scheduled activities. Specifically, they shall:

a. Inform and invite the parents or guardians of learners belonging to the identified target groups to attend the scheduled advocacy and orientation sessions;
b. Disseminate information on the purpose, benefits, and importance of school-based immunization to promote informed parental participation;
c. Ensure the availability of an appropriate venue and the necessary logistical arrangements for the conduct of the sessions;

d. Facilitate the distribution, retrieval, and submission of the required immunization consent forms in coordination with the designated health personnel and;
e. Extend the necessary assistance during the advocacy activities and subsequent immunization mop-up operations to reach eligible learners who may not have been accommodated during the initial implementation.

4. Public Schools District Supervisors/PICDS shall oversee the coordination and implementation of the scheduled activities within their respective districts and ensure that concerned schools are properly informed of their assigned dates, venues, and other relevant arrangements. School heads shall likewise ensure that parents and guardians receive timely notification and that attendance and other necessary documentation are properly maintained.

5. The attached district schedule shall serve as the reference of concerned schools in preparing for and participating in the activities. Any necessary adjustments to the schedule shall be coordinated with the Schools Division Office and the City Health Office to ensure the orderly and efficient conduct of the orientations and related immunization activities.

6. The cooperation and active participation of all concerned are hereby enjoined to ensure the successful implementation of the School-Based Immunization Program and to promote the health, safety, and well-being of learners in Dapitan City.

7. For information, guidance, and strict compliance.

Subject: Joint Initiative for the School-Based Immunization Program via Public Schools

Sir:

Warm greetings of health!

The **Dapitan City Health Office (CHO)** is currently rolling out its annual School-Based Immunization Program across all public schools within the city. This vital health initiative aims to protect our students against vaccine-preventable diseases and create a safer learning environment for our youth.

To ensure maximum coverage and parental consent, we recognize the crucial role of the **DepEd Dapitan City Schools Division** in mobilizing families and driving health participation within the school community. In line with this, we respectfully request your good office to partner with us in **utilizing school platforms and parent-teacher networks** to conduct **health orientations** regarding the immunization drive.

Specifically, we request to coordinate with school heads to reach and gather the parents/guardians of the following student groups across all schools in the division:

- **Grade 1 and Grade 7 pupils** (for Measles-Rubella and Tetanus-Diphtheria vaccines)
- **Grade 4 female pupils** (for the Human Papillomavirus or HPV vaccine)

During these orientations, our health personnel intend to **discuss the benefits** of these vaccines, **address parental concerns**, and **distribute/collect the necessary immunization consent forms**. Since health and education are shared priorities for our learners, your support in this activity will greatly help us reach households that benefit most from these protective services.

To ensure these integrated orientations run smoothly, your office will take charge of scheduling, venues, and logistics, and we look forward to working together to make these sessions a success.

Thank you very much for your usual support and unwavering dedication to the health and well-being of our Dapitanon children.

Sincerely yours,

JIDDA B. CHAN, M.D.
OIC – City Health Officer
