DIVISION MEMORANDUM
NO. 173, s. 2022

To: OIC Assistant Schools Division Superintendent
Chief Education Supervisors, CID & SGOD
Education Program Supervisors & Specialists
SDO Section Chiefs
Division Performance Management Team (PMT)
All Others Concerned

From: 
FELIX ROMY A. TRIAMBULO, CESO V
Schools Division Superintendent

Subject: DEDP REVIEW & ADJUSTMENT cum DIVISION PERFORMANCE
MANAGEMENT TEAM (PMT) CONFERENCE

Date: April 22, 2022

In view of the issuance of the Basic Education Development Plan (BEDP) which serves as the Department's blueprint and guide for the respective development and office plans in all governance levels, the Schools Division of Dapitan City will be holding a Division Education Development Plan (DEDP) Review & Adjustments before the year ends.

In preparation for this endeavor, a review of the DEDP as well as conference for the Performance Management Team (PMT) shall be conducted on **April 26, 2022, 9:00a.m.** at the Division Conference Hall.

Participants are the OIC Assistant Schools Division Superintendent, CID and SGOD Chiefs, Education Program Supervisors, all SDO Section/Unit Heads and the Division Performance Management Team (PMT).

All attendees to this activity are reminded to strictly observe physical distancing and to always wear face masks.

Immediate dissemination of this memorandum is desired.

**DIVISION EDUCATION DEVELOPMENT PLAN (DEDP) REVIEW & ADJUSTMENT cum
DIVISION PERFORMANCE MANAGEMENT TEAM (PMT) CONFERENCE**

SDO Conference Hall
April 26, 2022, 9:00a.m.

Morning Session

Preliminaries

Singing of National Anthem..... Multimedia Presentation
Prayer / Doxology Multimedia Presentation

Welcome Remarks..... Sherlito E. Sagapsapan
Chief, SGOD

Message..... Felix Romy A. Triambulo, CESO V
Schools Division Superintendent

Presentation of Strategic Directions (2022-2030) &
Accomplishments..... Dr. Rosalio B. Conturno, Jr.
OIC-Assistant Schools Division Superintendent

Review of National Targets vs SDO Targets..... Anthon John S. Soriano
Planning Officer III

Afternoon Session

Division Performance Management Team
(Division PMT) Conference..... To be presided by OIC-ASDS
Dr. Rosalio B. Conturno, Jr.

Chair: Assistant Schools Division Superintendent

Members: Accountant III
Administrative Officer V
Planning Officer III
Education Program Supervisor
Principals' Representative - Elementary & Secondary
Representative, Teachers' Association
Representative, NEU Division Chapter

Observer: PTA Division Federation Representative

Secretariat: Administrative Services

Major Challenges identified in Basic Education Sector Analysis (BESA)

Access and Efficiency	Quality	Governance
<ul style="list-style-type: none"> Improvements in participation in all levels of education was notable but reaching universal participation require targeted intervention. Access gaps particularly on out-of-school children and youth remains to be an area of concern Lack of data on the universe of groups in situations of disadvantage 	<ul style="list-style-type: none"> Low proficiency of learners in reading and numeracy skills Inadequate coverage of 21st century skills in curriculum is affecting test performance result Girls outperforming boys in attendance and learning proficiency 	<ul style="list-style-type: none"> Need to strengthen complementarity between public and private schools and strengthen support to private sectors Limited vertical and horizontal integration in program management at the different levels of DepEd (CO, RO, SDO, Schools) Limited capacity of DepEd field units on contextualization of programs and strategies including quality assurance, technical assistance, education planning, monitoring and evaluation, and program management Inadequate government spending in Education

3

2

Priority Development Areas

- Pivoting to quality, ensuring that all learners attain learning standards in every key stage in the K to 12 program
- Expanding access to education for groups in situations of disadvantage to ensure inclusive and equitable quality service delivery
- Strengthening the promotion of the over-all well-being of learners in a positive learning environment where learners exercise their rights and experience joy
- Modernizing basic education governance that empowers learners to be resilient and acquire life skills

4

Key strategic priorities

- Address the immediate impacts of COVID-19 pandemic on learning and participation
- Enhance policies and activities in ensuring quality learning and numeracy skills in the next few steps
- Improve access to quality and learner-centered learning environment and spaces
- Strengthen policies and mechanisms for providing access to quality and relevant basic learning opportunities for OOSC and OSY
- Provide an inclusive, effective, culturally responsive, gender sensitive and safe learning spaces to respond to the situations of disadvantaged
- Improve learners and personnel resilience from all forms of natural and human-induced hazards.
- Integrate children's rights and responsibilities and duty bearer's obligations in the design of DePED programs and projects.
- Enhance strategic human resource management for continuing professional development and opportunities.
- Co-create learning spaces for the future by looking at the broader learning ecosystem beyond the confines of physical classrooms.
- Strengthen Public and private collaboration and work more collaboratively under a dynamic and responsive complementary framework.
- Modernize education management systems and processes for efficient service delivery.

5

National Targets: Government Spending

Indicator	Latest year	Latest value	2022	2023	2024	2025	2026	2027	2028	2029	2030
1. Proportion of total government spending on Education	2020	13.2	14.3	14.9	15.4	16.0	16.4	16.8	17.2	17.6	18.0
2. Government Expenditure on education as Percentage of GDP	2020	2.5	2.9	3.1	3.3	3.5	3.6	3.7	3.8	3.9	4.0

Specific strategic focus area of reform

Critical Reforms Supporting the Achievement of Targets	Specific strategic focus area of reform
1. Optimal Contact Time of Teachers in teaching (time on task)	<ul style="list-style-type: none"> a. Reduction/elimination of administrative tasks of teachers b. Rationalization of the role of Education Supervisors and District Supervisors to instructional supervision at the school and classroom level c. Rationalization of Assigning Ancillary Services to Teachers d. Rationalization of involvement of teachers in national, regional and division activities particularly sporting events and contests e. Hiring of Non-teaching school personnel to handle administrative tasks f. Reduction of data fields in the existing School Forms and fully integrate in the US g. Dedicated time for remedial instruction
2. Improvement of Class Size through appropriate Planning Standards (smaller class size)	Study of planning standards for possible enhancement of existing standards on class size (scenarios)
3. Clear career path for teachers and improvement in welfare programs (motivation factor)	<ul style="list-style-type: none"> a. Immediate implementation of career progression for teaching and non-teaching personnel b. Welfare and benefits packages c. Equal opportunities for professional Development
4. Blended learning approach guidelines (Delivery standards)	<ul style="list-style-type: none"> a. Issuance of new policy guidelines on blended learning approach b. Ensure 1:1 Tackoff to learner ratio c. Issuance of Acceleration policy
5. Targeted capacity development programs for teachers, non-teaching personnel and school leaders (teacher and school leaders' competence)	<p>Special Focus on the following capacity development areas:</p> <ul style="list-style-type: none"> a. Effective teaching reading, numeracy, socio-emotional, and 21st century skills b. Effective School Leadership skills for school heads c. Contextualizing learning experience for diverse learners

19

Critical reforms supporting the achievements of targets

1. Optimal Contact Time of Teachers in teaching (time on task)
2. Improvement of Class Size through appropriate Planning Standards (smaller class size)
3. Clear career path for teachers and improvement in welfare programs (motivation factor)
4. Blended learning approach guidelines (Delivery standards)
5. Targeted capacity development programs for teachers, non-teaching personnel and school leaders (teacher and school leaders' competence)
6. Standards on ICT integration in Teaching-Learning (Technology factor)
7. Accelerated implementation of Critical Support Services to improve resiliency: i) psychosocial and mental health intervention, ii) child protection, iii) nutritional status of learners (Resilience)
8. Decentralization of program management (empowerment of schools)
9. Addressing bottlenecks in the availability and improving the quality of Learning Materials (Availability and Quality of LMs)
10. Addressing the situations of disadvantage in remote and Last Miles Schools (Close remaining gaps in access)
11. Increasing investment in education (Education Financing)

18

Specific strategic focus area of reform

Critical Reforms Supporting the Achievement of Targets	Specific strategic focus area of reform
6. ICT Integration in Teaching-Learning (Technology factor)	Issuance of policy guidelines on Integrating ICT in teaching and learning
7. Accelerated implementation of Critical Support Services to improve resiliency: i) psychosocial and mental health intervention, ii) child protection, iii) nutritional status of learners (Resilience)	<ul style="list-style-type: none"> a. Institutionalization/Integration of mental health program in curriculum b. Strengthen the implementation of Child Protection Policy c. Rationalize school feeding program to address immediate real need for the intervention
8. Decentralization of program management (empowerment of schools)	<ul style="list-style-type: none"> a. Issuance of revised planning and budget strategy policy b. Issuance of Monitoring and Evaluation Framework c. Expand the use of PMIS to School MOOE
9. Improving the quality and addressing bottlenecks in the availability of Learning Materials (LMs) (Availability and Quality of LMs)	<ul style="list-style-type: none"> a. Establishment of strategic warehousing pre-deployment, replacement mechanism of LMs b. Establishment of reliable quality assurance of LMs c. Institutionalize the use of Learning Hubs
10. Addressing the situations of disadvantage in remote and Last Miles Schools (Close remaining gaps in access)	<ul style="list-style-type: none"> a. Increase investment on LMS b. Strengthen ties with LGU in implementing the Devolution Transition Plan of DepEd c. Aim for UNESCO suggested level of education spending
11. Increasing investment in education (Education Financing)	<ul style="list-style-type: none"> a. Invest heavily of programs that are essential in achieving the targets

20

Results Framework

21

The 8 Competencies

1. Productive citizenship
2. Critical thinking and innovation skills
3. Communication skills
4. Well-being
5. Digital Fluency
6. Resilience
7. Ethical leadership
8. Future Orientation

The circular diagram shows the 8 competencies grouped into three categories:

- 21st CENTURY SKILLS:** Productive Citizenship, Critical Thinking and Innovation Skills, Communication Skills, Well-being.
- 21st CENTURY LEARNING:** Digital Fluency, Resilience, Ethical Leadership.
- 21st CENTURY CITIZENSHIP:** Future Orientation, National Identity & Nationhood, Socio-Political Stability, Sustainability, Life Skills & Responsiveness, Unity in Diversity.

Aspirations

1. National identity and nationhood
2. Economic prosperity
3. Unity in diversity
4. Flourishing
5. Competitiveness
6. Life skills and responsiveness
7. Socio-political stability
8. Sustainability

23

The Filipino Learner

The Filipino learners are envisioned to be holistically developed in basic education, acquiring 21st century skills that will enable them to manage oneself, build connections, inquire, innovate, stay nimble, and serve beyond self. They must take pride in Filipino national identity and nationhood and aspire for lifelong learning, competitiveness, economic prosperity, socio-political stability, unity in diversity, flourishing, and sustainability by upholding the core values: *Maka-Diyos, Maka-tao, Makakalikasan, at Makabansa.*

22

BEDP
Results Framework

GOAL
All Filipinos are able to realize their full potential and contribute meaningfully in building a cohesive nation

SECTOR OUTCOME
Basic education Filipino learners have the physical, cognitive, socio-emotional and moral preparation for civic participation and engagement in post-secondary opportunities in their local, national, and global communities.

INTERMEDIATE OUTCOMES

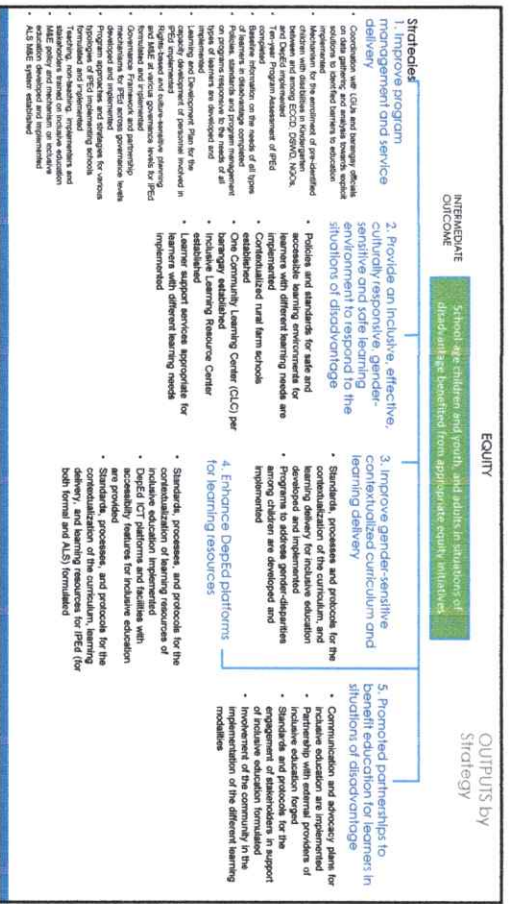

- 1. ACCESS**
All school-age children, out-of-school youth, and adults accessed relevant basic learning opportunities
- 2. EQUITY**
Disadvantaged school-age children and youth, and adults benefited from appropriate equity initiatives
- 3. QUALITY**
Learners complete K-13 basic education having attained all learning indicators that equip them with the necessary skills and attitudes to pursue their chosen paths
- 4. RESILIENCY & WELL-BEING**
Learners are resilient and know their rights and responsibilities have the life skills to claim their rights and respect for others' rights in a learning environment where duty-bearers perform their obligations

ENABLING MECHANISMS - GOVERNANCE
Efficient, nimble and resilient governance and management processes

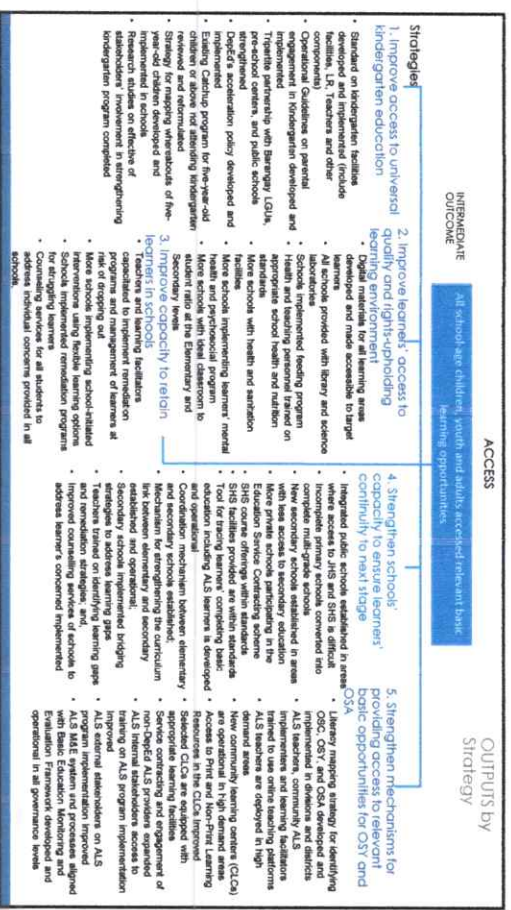

24

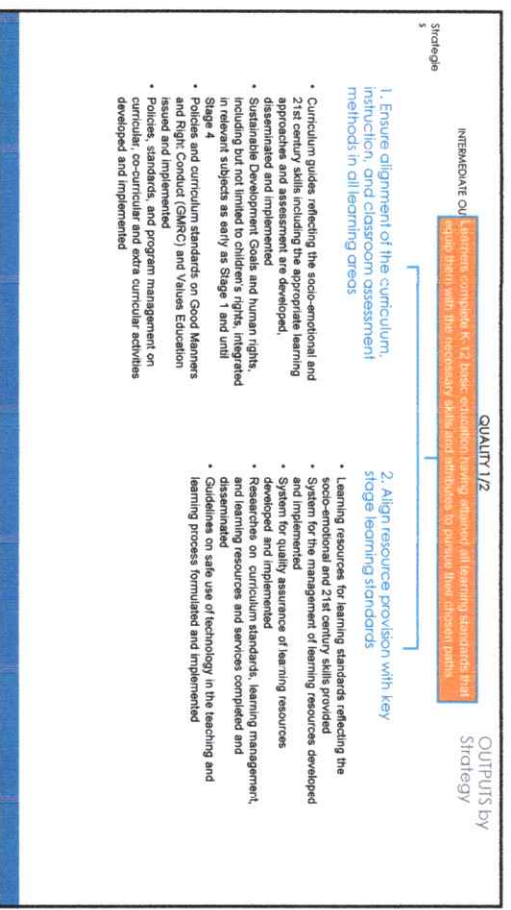

25

GOVERNANCE 212
Efficient, flexible and resilient governance and management processes

CURPUS by Strategy

Strategy

4. Improve and modernize internal systems and processes for a responsive and efficient financial/resource management

- Guidance on modern financial management systems and systems management and quality assurance
- Guidelines for performance management and quality assurance
- Disaster risk reduction and response mechanisms established
- Human Resource Information System (HRIS) in all governance levels developed and implemented
- Internal Control Systems (ICS) framework, guidelines, and standards developed and implemented
- Guidelines for OIGs developed and implemented
- Asset Management System implemented
- Help-Desk Support System for lead procurement operations
- Digital Integrated Logistics Management System implemented
- Organic procurement units and parallel positions for procurement officers created
- Contract Management System developed and implemented
- Standards on procurement processes, forms and documents developed and implemented
- Supplier selection and contract management system developed and implemented
- Transparency mechanism developed and implemented
- Guidelines on bid party participation in procurement developed and implemented
- Guidelines on bid party participation in procurement developed and implemented
- Guidelines on bid party participation in procurement developed and implemented

5. Strengthen active collaboration with key stakeholders

- Framework for stakeholder engagement developed and implemented
- Guidelines on the use of SEF revised and implemented
- Proposed School Governing Council policy revised and implemented
- Policy on the use of partnership information system issued and implemented
- Partnership development alliance established and operationalized in support of ALS implementation

6. Strengthen the public-private complementarity

- Public-Private complementarity framework developed and implemented
- Manual of operations for private schools enhanced
- Organizational and human resource support to qualified personnel in private schools are in place

Mainstreaming BEDP Strategies: Plan alignment

Global Education Agenda 2030

International SDG 4 2030

Long-term plan aligned with the SDG 2030, designed to address the immediate impacts of COVID-19, address the remaining access gaps, confront issues on quality and anticipate what futures might bring. BEDP will synchronize plans at all governance levels

Overall Directions, National Strategies & Standards Development

Execution of standards, policies and systems

Execution of Programs, Activities and Projects and demand driven TA to schools and CLCs

Curriculum Implementation: Teaching and learning

National BEDP 2030
2022-2030

Six-year education development plan developed at the Regional level which contains strategies on how priority directions, policies, programs, quality assurance measures and equity-driven systems will be implemented in their respective regions, considering the unique learning situation of learners

Region REDP
2022-2028

Six-year plan developed at the Division level which contains strategies on how assistance to schools and learning centers will be implemented. As an example, one of the crucial mandates of the SDOs is to manage effective and efficient use of all resources, including human resources

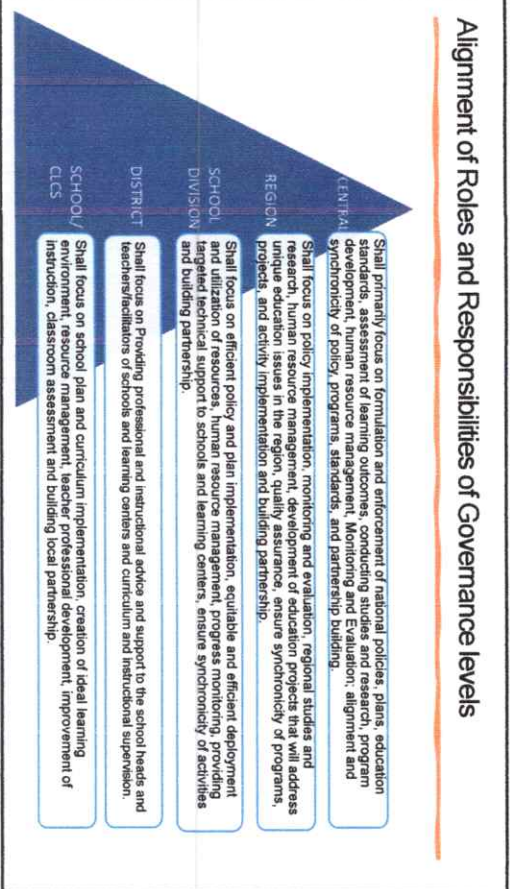

Division DEDP
2022-2028

Three-year roadmap that lays down specific interventions that a school, with the help of community and other stakeholders will implement. The SIPs must be able to articulate the school's strategies on making the teaching and learning process more effective and inclusive.

School/CLC SIP
2022-2028

36

Alignment of Roles and Responsibilities of Governance levels

37

Phases of Implementation

Phases of Implementation

38

PHASE 1 2022-2025 Response to the Immediate Impacts of the pandemic on learning and participation and address issues on quality of basic education

<p>Post COVID-19 Recovery and Transition – Addressing and mitigating the impacts of sudden shift in delivery modalities, bridging the learning gaps and introduce innovations.</p>	<p>Accelerate the co-creation of an integrated concept of learning spaces for the future.</p>
<p>Focus on Quality:</p> <ol style="list-style-type: none"> 1) Strengthen programs on reading, numeracy, socio-emotional learning, and 21st century skills 2) Sharpen skillsets of teachers in contextualization to address the concerns of diverse learners and 3) Strengthen instructional leadership and supervision to improve teaching quality. 	<p>Formulation of enabling policies, standards, processes and systems.</p> <p>Capacity development on policy development and implementation, strategic planning, education futures, M&E research and technical assistance.</p>
<p>Strengthen DepEd's capability on assessment with focus on classroom level assessment.</p> <p>Improve Access for groups in situations of disadvantage.</p>	<p>Partnership Building with community-based partners, the private sector and cross sector government services for children.</p> <p>Mid-term review and analysis of phase 1 results to inform refinements in BEDP strategies.</p>

39

Priorities for 2022-2023

Post COVID-19 Recovery and Transition – Addressing and mitigating the impacts of sudden shift in delivery modalities, bridging the learning gaps and introduce innovations.

- Reintroduction of face to face starting from pilot phase (safe return to schools)
- Improve ICT in education
- Provision of appropriate learning resources for blended learning approach
- Reduction of reliance to printed modules and maximize the use of Online, DepEd TV and Radio-based instruction
- Strengthen support to private schools
- Improve Access for groups in situations of disadvantage and retrieve school leavers in SY 2020-2021
- Build and strengthen partnerships

Focus on Quality as a priority

- Improve Performance on reading, numeracy, socio-emotional learning, and 21st century skills
- Sharpen skillsets of teachers in contextualization to address the concerns of diverse learners.
- Strengthen instructional leadership and supervision to improve teaching quality

40

PHASE 2
2026-2030
Sustaining gains, introducing innovations and evaluating policies and programs

 Continuation of programs and projects on access, quality, equity and resiliency.	 Operationalization of the strategies initiated under the Education Futures Programme.
 Maintenance and enhancement of information systems.	 Evaluation of programs and projects.
 Development and implementation of emerging new programs	 End of Plan assessment and evaluation

41

Operationalizing the BEDP
CENTRAL OFFICE

- Program profiles particularly the objectives, performance indicators and targets must be reviewed to determine its relevance to the implementation of BEDP.
- Most of the outputs can be produced by the lead office in consultation with other relevant offices.
- Lead office shall initiate the process of consultation until it produced the output
- There are outputs that are sequential, therefore proper timing and scheduling is desired
- Producing the outputs may be funded using program funds under GAA and other sources from development partners, LGUs and other education stakeholders
- All activities to be initiated must clearly support the key strategic priorities
- Clear timelines in producing outputs must be plotted within 2022-2030

42

Operationalizing the BEDP
REGIONAL OFFICE

- Regional Planning Team shall use BEDP as the anchor in developing their respective Regional Education Development Plan (REDP), particularly the key strategic priorities, results framework and strategies.
- The principle of “One Goal, Shared Outcomes, Common Programs, Different Strategies” must be applied. Regions may have different strategies which are based on regions’ unique needs and conditions, baseline outcome performance, profile of clients and the size of budget.
- Regional outputs shall be mainly implementation of policies and standards that will be produced by CO. Regional policy instrument must be anchored on national policies.
- Producing the outputs may be funded using program funds under GAA and other sources from development partners, LGUs and other education stakeholders

43

Operationalizing the BEDP
SCHOOL DIVISION OFFICE

- Division Planning Team shall use BEDP and regional priorities as anchor in developing their respective Division Education Development Plan (DEDP), particularly the key strategic priorities, results framework and strategies.
- Division outputs shall be mainly execution of programs and activities in support of school in the implementation of curriculum
- Producing the outputs may be funded using program funds under GAA and other sources from development partners, LGUs and other education stakeholders

44

Operationalizing the BEDP SCHOOLS AND CLCs

- School Planning Team shall use BEDP and Division priorities as the anchor in developing their respective School Improvement Plan which shall focus on curriculum delivery.
- School Plan shall focus on improving learning outcomes, addressing classroom and school level issues and promoting safe school
- School outputs shall be mainly implementation of curriculum, and activities in improving learner's academic performance and resilience.
- Producing the outputs may be funded using program funds under school MOOE and other sources from development partners, LGUs and other education stakeholders

45

Contextualizing national targets and developing regional and division targets

<p>Advanced: Above the set target and above the national Average</p>	<p>Progressing: Above the national average but below the set target</p>
<p>Objective is to maintain the momentum and targets should still be increasing until it reaches the ideal state in 2030</p>	<p>Objective is to achieve the set targets and maintain placement above national average. Targets should be bold until it reaches the ideal state in 2030</p>
<p>Catching Up: Above the set target but below the national Average</p>	<p>Falling Behind: Both Below set target and national average</p>
<p>Objective is maintain momentum in achieving set targets and get above national average. Targets should be a little bolder until it reaches the ideal state in 2030</p>	<p>Objective is to achieve the set targets and get closer to national average. Targets should be bold and ambitious until it reaches the ideal state in 2030</p>

47

Contextualizing National Targets

- With the implementation of BEDP 2030, and the need to confront the 5 education imperatives, education delivery cannot be business as usual. Accelerated program implementation, bold targets, capacity development are needed to address the education imperatives.
- Each region and division depending on their level of performance shall set their respective annual targets until 2030 using 2020 as baseline.
- In establishing the regional and division targets, need to strike a balance between the national targets and the current baseline performance.
- Performance must converge and meet at the end of plan targets in 2030
- School targets shall focus on improving learning outcomes and shall ensure optimum contact time.

46

Recommended Class Size – Distance Learning

Modality	Class Size in Grade Level	
	Pure	Blended
Modular (print and digital), Educational TV, Radio-based instruction and Blended	Kindergarten – Maximum of 30 Grades 1 to 3 – Maximum of 35 Grades 4 to 10 – Maximum of 45 Multi-grade – Maximum of 25 Special Education (SPED) – Maximum of 10 ALS – 75 maximum	Kinder- Max of 24 Gr 1-3: Max of 32 Gr: 4-12: Max of 40 SHS Lab: Max of 12 MG: (x2 of limited F2F)
Online	Minimum of 20, maximum of 40 learners per teacher (the teacher may split the class into two and come up with acceptable schedule)	(x2 of limited F2F)
Home Schooling	Will depend on Family's capacity to implement	

48

49

Assumptions in setting the National Targets for Quality

Indicator	Rate of Increase (%)			
	2018-2019	2019-2021	2022-2025	2026-2030
Proportion of students in Grade 2 or 3 achieving at least a minimum proficiency level in mathematics	0.96	-	4.998	6
Proportion of students in Grade 2 or 3 achieving at least a minimum proficiency level in reading	1.84	-	2.76	2.76
Proportion of students at the end of primary achieving at least a minimum proficiency level in mathematics	0.62	-	6.81	7
Proportion of students at the end of primary achieving at least a minimum proficiency level in reading	0.62	-	7.32	7.32
Proportion of students at the end of lower secondary achieving at least a minimum proficiency level in mathematics	0.46	-	8.24	7.75
Proportion of students at the end of lower secondary achieving at least a minimum proficiency level in reading	1.29	-	4.42	6
