RE: 2023 CSSP Extramural Training Seminar for Social Science Teachers

On behalf of the College of Social Science and Philosophy (CSSP)-UP Diliman, I would like to cordially invite the faculty members and researchers in your institution to participate in the 2023 CSSP Extramural Training Seminar for Social Science Teachers (CSSPEX 2023) to be held on August 3-5 at the University of the Philippines Diliman. This Extramural Training Seminar is our college's primary extension activity and is aimed at strengthening the capabilities of those handling courses in the social sciences and philosophy at the K to 12 Program, as well as those who are engaged in teaching General Education courses at the tertiary level.

This year's CSSPEX theme is **Social Sciences and Philosophy Research in Post-Pandemic Era: Ethics, Privacy, and Methods**, underscoring the need to equip the participants with more thorough knowledge of the various research methods employed in the disciplines within the domain of the social sciences and philosophy. The opening day of the 2023 CSSP Extrams will feature a keynote lecture by CSSP Dean Maria Bernadette L. Abrera on the story of the social sciences and philosophy education in the context of the Philippines in the morning. In the afternoon, the panel discussions and plenary lecture focus on the following: (1) academic journal management and the publishing process, (2) data privacy, and (3) research ethics, and establishing an ethics review board. The remaining two days will be devoted to parallel sessions featuring specific social science research methods per breakout group. The workshop speakers and facilitators will be coming from the College of Social Sciences and Philosophy of UP Diliman.

The registration fee for regular participants is Four Thousand Pesos (PHP 4,000) and will cover the certificate of participation, training materials, three lunches, and six snacks for the duration of the training seminar. Those who will pre-register online and pay on or before July 5, 2023 (Wednesday) can avail themselves of an "Early Bird" complimentary copy of the most recent edition of the Philippine Social Science Review, the journal of the College of Social Sciences and Philosophy.
