**DIVISION MEMORANDUM**

No. 99, s, 2023

**IMPLEMENTATION OF NO OBSTRUCTION POLICY OF SCHOOL GATES**

To: The Assistant Schools Division Superintendent  
 Chief Education Supervisors (CID and SGOD)  
 Education Program Supervisors  
 Public School District Supervisors  
 Elem. and Secondary School Principals/Head Teachers  
 This Division

1. During the regular monitoring of division personnel, it has been observed that vendors and vehicles congest at the entrance of the school gates; thus, the way becomes too narrow that resulted to inability of students, teachers specially vehicles to pass easily.
2. The obstruction of the school gates shall possibly result to the following, to wit:
  - a. During calamities, the school will serve as evacuation center, thus, it will cause delay in the delivery of goods and services;
  - b. In case of fire incidence, fire trucks and other emergency vehicles cannot give its best service that would probably result to more damages of properties and loss of lives;
  - c. Students and teachers are susceptible to accidents.
3. With the above observations and possible effects, school heads are mandated to make the road/way free from vendors by conducting consultations, meetings and conferences and to implement this policy effective immediately.
4. Please be guided accordingly.
