1. On school verification:

KA PH liaison officer will go to each school on the list to validate if the schools have met the technological requirements as well as establish rapport with the personnel from the ROs, the SDOs and school heads.

In line with this, KA PH is requesting any personnel of the SDO (Math EPS, PSDS and/or Division IT Officer) to accompany them in going to the schools so that verification will be swift and more efficient. Schools need not prepare anything such as program, lay, food, etc. KA PH is expected to stay 20- 30 minutes per school where they will do the following:

What to check	What to ask	Who are expected to be in school
<ul style="list-style-type: none"> • Strong internet connectivity (at least 100 Mbps) • 1 device per student user (in computer lab or wherever they will do Khan) • Eager administrators and teachers 	<ul style="list-style-type: none"> • Grade level and number of sections that will join the pilot (Choices: Grades 1, 4, 5, and 7) • Number of teachers for training 	<ul style="list-style-type: none"> • Principal or Asst. Note: The devices (PCs, laptops, tablets, etc.) in the computer lab are turned on during the day of the visit so that when the verification team arrived, they can easily check the internet speed.

- 2. After the school verification,** Principal of each school that passed the verification must accomplish the Expression of Interest Form and Confirmation of Terms of Use for the Khan Academy Philippines that can be accessed in this link: www.bit.ly/KAPH-Y2-EOI. This should be accomplished immediately after the school verification.
- 3. Teacher-implementers** who will attend **the face-to-face training** need to pre-register in this link: www.bit.ly/khans2b2. This should be accomplished immediately after the Session 1: Online Onboarding for School Heads, DepEd Leaders, and Khan Academy Implementing Team.

For the face-to-face training of teacher-implementers, **may we request a venue within the indicated SDOs/ROs that can accommodate at least 150 pax of teachers, and with strong internet connection?** Khan Academy Philippines will provide training kits. Please advise the participants to bring their own device (preferably laptop) and backup internet connection. Teachers also need to bring their class list (preferably digital) because they will roster the students in their Khan account.

4. Online training on Navigating Khan Academy District
